

Hi!

You don't know me, but I've just paid for your order. There's no gimmick behind it. It's just something I wanted to do for you. I am a member of St. Luke's Catholic Church - Dahlonaga and they are always promoting love of neighbor. I just wanted to do this small thing for you to brighten your day. Perhaps it may prompt you to do something like this for someone else.

If you feel that you've been touched by this small gesture and you want to share it with us, feel free to call us at 708-864-4779 or email us at ym@stlukescc.org. Our website is www.stlukescc.org.

I hope this brightened your day. Have a blessed day!
